Reading Is Fundamental 1825 Connecticut Ave. NW, Washington, DC 20009

The Reading is Fundamental Inexpensive Book Distribution Program aims to

enhance child literacy by providing millions of underserved children

with free books for personal ownership and reading encouragement from

more than 18,000 locations throughout the nation.

Reading Is Fundamental -- \$28,000,000

1825 Connecticut Ave. NW, Washington, DC 20009

The Reading is Fundamental Inexpensive Book Distribution Program aims to enhance child literacy by providing millions of underserved children with free books for personal ownership and reading encouragement from more than 18,000 locations throughout the nation.

Robert Morris College -- \$2,660,000

401 S. State St., #410, Chicago, IL 60605

The funding would be used to upgrade the college library facility and institute a new electronic library supported by a modern circulation component. This will include touch screen electronic card catalogs, interactive smart boards for collaborative study and research, multiple LCD information screens showing updates on institutional information plus local, national and worldwide news feeds.

Roosevelt University School of Pharmacy -- \$1,000,000

430 S. Michigan Ave., Chicago, IL 60605

Roosevelt University is establishing a College of Pharmacy with a progressive curriculum that will produce pharmacists more rapidly and at a lower overall cost than traditional four-year programs. Roosevelt's pharmacy program would address not only the chronic shortage of pharmacists but the specific need for underrepresented populations to pursue a degree in pharmacy.

Seguin Services, \$300,000

3100 S. Central Ave., Cicero, IL 60804

The Job Creation and Peer Mentorship Initiative would provide training and coaching for small business owners and employees.

SGA Youth & Family Services -- \$300,000

11 East Adams, Suite 1500, Chicago, IL 60603

The funding would support the Parachute program, which aims to serve at-risk youth, 10-17 years of age. It operates after school, on holidays, and during summer breaks in six core areas: achieving academic success, character building and development of adaptive life skills, increasing parental involvement, promoting cultural and physical health and wellness, supporting positive adult mentor relationships, and promoting service learning and volunteerism.

SGA Youth & Family Services -- \$185,000

11 East Adams, Suite 1500, Chicago, IL 60603

The funding would be used towards the Juvenile Justice Program. It will provide prevention education, counseling, and case management services to discourage and rehabilitate at-risk youth.

St. Anthony Hospital -- \$1,100,000

2875 W. 19th St., Chicago, IL 60623

The funding would be used for the construction of an operating suite and recovery room at St. Anthony Hospital, Chicago. Additional operating and surgical facilities are required to meet

increasing demand, provide improved patient care and afford added patient privacy.

St. Mary's and Elizabeth Medical Center, Resurrection Health Care -- \$400,000

2233 W. Division St., Chicago, IL 60622

The funding would be used for the purchase of digital mammography equipment to replace the inadequate and outdated equipment currently in use.

St. Mary's and Elizabeth Medical Center, Resurrection Health Care -- \$295,000

2233 W. Division St., Chicago, IL 60622

Requested funding would support the expansion of the "We CANDO It" children's health program, a school initiative that includes an after-school mentoring program, summer camp, and parent education component.

St. Mary's and Elizabeth Medical Center, Resurrection Health Care -- \$275,000

2233 W. Division St., Chicago, IL 60622

The funding would support the Community Diabetic Program, which currently provides inpatient services, to provide outreach efforts to educate the community about diabetes and allow the center to include an outpatient program.

St. Procopius Elementary School -- \$200,000

1625 S. Allport St., Chicago, IL 60608

The funding would be used for a Community Technology Center, which would provide students and the school community with computers and software. These resources and technical assistance would support teacher instruction and student learning in core subject areas.

Strategic Learning Initiatives -- \$470,000

4615 29th Place NW, Washington, DC 20008

Funding would be used develop the Early Childhood Initiative. The program strives to deliver instructional services to parents of children aged 3 to 5 in low-income neighborhoods so that their children are prepared to learn from the first day of school.

Teach for America -- \$25,000,000

315 W. 36th Street, New York, NY 10018

The purpose of the funding is for the recruitment, selection, placement and professional development of an estimated 8200 first- and second-year teachers in 39 low-income regions across the nation. These teachers would reach an estimated 525,000 underserved students.

The Chicago School of Professional Psychology -- \$400,000

325 N. Wells, Chicago, IL 60654

Erie Neighborhood House targets children of low-income children with moderate to severe emotional or behavioral difficulties. Funding would provide case management, disabilities and speech services, observation and support of children in the classrooms, complete psychological evaluations, and counseling for parents and families.

Westlake Hospital, Resurrection Health Care -- \$165,000

1225 West Lake Street, Melrose Park, IL 60160

Funds are requested to expand a community-based hospital program to register for the Illinois All Kids health insurance program. The All Kids program provides the State's uninsured children with comprehensive healthcare including doctors visits, hospital stays, prescription drugs, vision care, dental care and medical devices.

US Soccer Foundation -- \$1,000,000

1211 Connecticut Ave. NW, Suite 500, Washington, DC 20036

Funding would address the diabetes health crisis by supporting innovative soccer programs designed to promote healthy lifestyles in children. The program would serve children in underserved communities with programs that combine soccer with diet and nutrition.
